

A VOTE FOR AL JAMA-AH POLITICAL PARTY IS A VOTE FOR KUFR!

ALLAH TA`ALA DECLARES IN THE QURAAN MAJEED:

وَمَنْ لَّمْ يَحْكَمْ بِمَا أَنزَلَ اللَّهُ فَأُولَٰئِكَ هُمُ الْكَافِرُونَ

Whoever does not judge by what Allah has revealed, then they surely are Kaafiroon (disbelievers).

With the upcoming elections, Muslims need to be made aware of their Islamic responsibilities and of their allegiance to the Deen of Islam.

It is Haraam for a Muslim to vote for any political party. A vote is in effect offering a pledge of allegiance and it is a testimony for the candidate or political party. When a person votes for someone or some political party, he is, in effect, signifying that he is pleased to have that person/political party rule over him and handle matters as they see fit. This means that the one who voted a party into power, shares in all their legislations and actions in government.

It is childish and inane to claim that a voter only condones or 'shares in' the 'good' laws and actions of the political party in power. A vote for any political party is in reality a full 'vote of confidence' in that party. And since EVERY SINGLE political party will operate under kuffaar laws, they (and whoever helped to put them into power) are Kaafiroon (disbelievers) in the Sight of Allah Ta`ala.

The Al Jama-ah party in particular has been targeting Muslims and wooing their votes. Besides the Arabic sounding name, there is **absolutely nothing** Islamic about this Party.

In fact, their manifesto bears testimony to their brazen kufr.

Firstly, if one reads through their manifesto, they make absolutely no mention of Islam, Allah Ta`ala, Nabi (sallallahu alaihi wasallam) or our beautiful Shariah. They try desperately to come across as a 'party for all people'. Neither do they represent Islam and Muslims nor will they 'raise the flag of Islam'. All they seek is the votes of Muslims (and others), with the hope of getting into parliament, so that they may fill their unholy coffers and pockets.

They state in their manifesto: ***“Persistent challenges such as systemic racism, ageism, structural inequality, religious supremacy, racial xenophobia, and ethnic discrimination impede the nation’s progress towards social cohesion and prosperity.”***

La Houla Wa La Quwwata! The shameless louts denounce Islam as THE SUPREME religion, whereas Allah Ta`ala clearly proclaims in His Kalaam:

ان الدين عند الله الإسلام

“Indeed, THE (ONLY) religion in the Sight of Allah IS Islam.”

و من يبتغ غير الإسلام دينا فلن يقبل منه

“And whoever chooses (any other religion) besides Islam as a religion, it will NEVER be accepted of him.”

They also, rather shamelessly and blasphemously state in their offensive manifesto:

“Al Jama-ah aims to combat all forms of supremacist ideologies and bigotry, whether it be rooted in race, religion, culture, or ethnicity.”

They are actually saying that they will be combatting Islam and Muslims!!

A Muslim believes the Deen of Islam as Supreme. It is the ONE AND ONLY means of salvation in this world and the next. Muslims should never suffer from any complex or be shy to proclaim and be proud of their Deen. We believe and state **unequivocally** that all other religions and beliefs are deviations from the True Path. Al Jama-ah is apologetic about our beautiful religion of Islam and according to them they aim to “combat” the Islamic belief of supremacy!

They quote some Marxist in their manifesto but are too lily-livered to quote Qur’aan or Hadith!

They unashamedly proclaim that they are committed to: ***“Applying the rule of law without prejudice.”*** They naturally refer to the kuffaar law and constitution. By this claim of theirs they clearly eject themselves from the Deen of Islam. Allah Ta’ala clearly denounces such people as disbelievers.

This Al Jama-ah party has been active in the political scene for over a decade and they have done absolutely nothing for the Muslim Community, and yet they advertise heavily in predominantly Muslim communities over the country. On some billboards they shamelessly imply that to vote for them is an Islamic requisite.

The only thing they are ‘proud’ about having ‘achieved’ for the Muslims is the recognition of Islamic marriages. This, in fact, is a great disservice to Muslims in South Africa. The Al Jama-ah have in effect surrendered Sacred Islamic Law (pertaining to marriages and its consequences) at the behest of the disbelievers to rule and toy with as they please.

To vote for the Al Jama-ah political party (or any other party for that matter) is in fact a vote for kufr.

Muslims must exercise their ‘democratic right’ not to vote. In fact, it is Waajib to do so. It is HARAAM to vote.

May Allah Ta’ala guide this Ummah.
