Naseehat of a U.K. Brother:

Government Advisor Warns UK Is Heading For Civil War

I have a message for my UK Muslim brethren; fear Allah Ta'ala, change your wicked ways or brace yourselves for trouble on a scale that will dwarf the disturbances seen last summer.

O UK Muslims Do you really believe you can flout the laws of Allah Ta'ala so flagrantly yet escape His wrath?

Does the accursed Iblees have so much leverage over you that you have disengaged your brains and ceased to study the Noble Quran? Do you not read?

'Then did the people of the cities feel secure from Our punishment coming to them at night while they were asleep' (7:97)

'Or did the people of the cities feel secure from Our punishment coming to them in the morning while they were at play' (7:98)

'And when We intend to destroy a town, We command its affluent ones; they transgress in it, so the word becomes justified against it, and We destroy it utterly' (17:16)

O UK Muslims, the situation is dire! Listed below are just a fraction of the sins committed by Muslims on an astronomical scale:

1. Males abandoning Masajid yet populating venues of haram entertainment
2. Masajid populated by females despite their homes being a natural fort
3. Muslims attending universities and emerging as Zindeeqs
4. Females prowling around outside unnecessarily when Allah Ta'ala has made the home their natural fort
5. Haram, provocative 'Pro Palestinian' protests consisting of 'Muslims' publicly screaming and wailing. What has this achieved other than antagonising non-Muslims?

6. Hordes of 'Muslim' grooming gangs raping and abusing mainly white non-Muslim girls
7. Greedy Corrupt Molvis spouting their evil from Masjid pulpits
8. 'Masajid' once considered the bastions of Haqq now reduced to centres of entertainment
9. Spending vast sums of money on enjoyment while millions of humans both nationally and globally wallow in abject poverty
10. Indulgence and obsession with Haram sports and sporting venues
11. Flaunting wealth in the faces of non-Muslims at a time of national cost-of-living crisis
12. Mass non-payment of zakat
13. Mass fraud of the benefits system
14. Mass flouting of Islamic inheritance laws
15. Rampant drug dealing and abuse
16. UK Molvis willingly participating in and promoting evil instead of condemning it.
17. Haram provocative public displays of sacred Deeni rituals and symbols; such as public iftars, proclaiming Azan in sports stadiums, public posters displaying Durood Shareef, etc.
18. Muslims accounting for 15% of prison population despite being 6% of the overall UK population.

O UK Muslims, you are sleepwalking into disaster. You are playing with fire. You are poking the sleeping bear. You seem determined to drive yourself off a cliff into oblivion.

The punishment of Allah Ta'ala appears to be on the horizon. When it arrives the forces of law and order will not be able to save you. Your wealth will not save you. Your mansions, palaces, gadgets and luxurious vehicles which you so brazenly flaunt will be reduced to cinders overnight.

O UK Muslims, have you already forgotten the recent Balkan massacres? O UK Muslims, have you forgotten what the Northern Irish Catholics were subjected to? O UK Muslims have you forgotten what Hindu savages subjected your Indian Muslim brethren to? Is your memory really so short?

Do you observe the ummah currently being subjected to unimaginable levels of brutality yet continue with your transgression?

Daily, calls for Muslims to be 'deported' grow stronger. Mainstream politicians and journalists now speak menacingly on this subject in a manner previously unimaginable.

O UK Muslims, there is currently a window of opportunity for us as Allah Ta'ala's punishment is yet to arrive. Wake up from your slumber, repent and mend your wicked ways. The situation is not yet beyond redemption.

I beseech Allah Ta'ala to give me and my UK Muslim brothers and sisters the opportunity to repair our lives before it is too late. Aameen
