

## ONE HUMANITY FOUNDATION

As-salāmu 'Alaikum wa-rahmatullāhi wa-barakātuh.

I hereby formally inform the Muslim public that I am no longer involved in the operations or oversight of One Humanity Foundation, which was established by Hazrat Mufti Ebrahim Desai Rahimahullah in 2018.

Marhoom Mufti Sahib Rahimahullah appointed me as a trustee of this organization in his lifetime and I was further entrusted with overseeing its operations from the time of its launch and founding.

I continued to supervise the activities until after his demise in July 2021.

Subsequently, the two trustees who were also appointed to the organization by Mufti Sahib Rahimahullah resigned after his passing.

At present, I am not aware of any reputable Aalim/Mufti who is overseeing the operations or activities of the organization.

Any enquiries or concerns regarding the current activities, governance, or operations of the organization should be directed to the present trustees of One Humanity Foundation.

This statement has been issued after extensive mashwara (consultation) with senior Ulama and Elders.
